Hera Indemnity Insurance Proposal Form for Architects & Consulting Engineers

Important Notes

- A. Answer every question fully. If necessary attach separate sheets with information which can be incorporated into your declaration. As your policy approaches renewal date it is important that the details we hold about you are kept up to date and all material facts about the risk are declared.
- B. A Principal, Partner, Director or Member of the firm must complete the proposal and make all the necessary enquiries of their fellow Partners, Directors, Members and Employees.
- C. Wherever we ask questions on this declaration about you or your firm we mean you, your Partners, Directors, Members or Employees or any former Partners, Directors, Members or Employees of any firm for which cover is required under this insurance.
- D. Individuals forming a Limited Liability Partnership (LLP) are known as Members.
- E. The Insurance Act 2015 requires you to make a fair presentation of the risk. An insured, and their agents, are under a duty to disclose all material facts and circumstances to an insurer. You should carry out a search of the information held by you and the firm, and present the information in a clear and accessible format. The Act also places a duty of disclosure on brokers. As your brokers, we are obliged to disclose any material information relating to you and the firm that we are aware of, and which you may not have included in your presentation. Please ensure that the information you provide in this proposal is complete and can be easily interpreted and understood by the insurer.
- F. Certain professional bodies and/or regulators have specific requirements as to the cover you are required to purchase, including but not limited to the limit of indemnity an affiliated firm or member must carry. If you or your firm are regulated by or affiliated with any professional body or similar organisation, it is your responsibility to ensure that the cover you purchase is sufficient both for your needs and to satisfy the requirements of your professional body/regulator.
