

Hera Indemnity Insurance
Consulting Engineers Proposal Form

Hera Indemnity Insurance Consulting Engineers Proposal Form

Important Notes

In this application:

"You / Your" refers to all firms to be insured under this arrangement, including any predecessor or previous business for which cover is required.

"Firm" means any business, whether a sole trader, partnership or company, limited in liability or otherwise.

"Principal" means any Director, Partner, Member or Sole Trader.

"Senior Management" includes all individuals who play significant roles in the making of decisions about how Your activities are to be managed or organised.

"Fair Presentation" means a presentation that:

- Clearly discloses every material circumstance that is known or ought to be known by Your Senior Management and those persons
 responsible for Your insurance or which is sufficient to prompt the insurer/s to ask appropriate questions. A circumstance is material if it
 would influence an insurer's judgement in determining whether to take the risk and, if so, on what terms.
- Discloses information in a manner that is reasonably clear and accessible; "data dumping" of large quantities of information with important matters hard to identify amongst the volume would not fulfil this requirement.
- Contains statements and facts that are true, accurate and given after undertaking a reasonable search, including consulting with Senior Management and those persons responsible for Your insurance.

"Hera Indemnity" means Hera Indemnity, a trading name of Advisory Insurance Brokers Limited.

"Data Protection Legislation" means the Data Protection Act 2018, or, from the date it comes into force in the UK, the General Data Protection Regulation (EU) 2016/679 and any other applicable laws relating to the protection of personal data and the privacy of individuals (all as amended, updated or re-enacted from time to time).

"Data Subject", "Personal Data", "Controller" and "Processor" each have the meaning given to them in the Data Protection Legislation.

Fair Presentation

It is important that you tell us everything about you and what you want to insure, including any specific concerns that led you to seek cover.

The law requires that you make a "fair presentation" of the risk to insurers. To do this you need to undertake a reasonable search for and disclose all information that may be material to the insurance, including by making specific enquiries of Partners, Directors and Senior Management involved in the business and its subsidiaries and other people inside and outside your organisation who may have material information, and to answer all the questions we ask you accurately and to the best of your knowledge and ability.

You must tell us of anything that may be relevant or important for insurers to know so that they can make decisions on whether to offer cover, the type of cover to offer, the terms to be applied and the required premium. If you don't do this and a relevant piece of information is missed then your cover may be prejudiced or become void, you may be charged a higher premium or have claims reduced or not paid at all.

By way of example only, you should inform us of the following:

- The financial history of the proposer (including senior management and those involved in arranging the insurances), director or partner of the business (including any subsidiaries) personally or in any business capacity. Areas to disclose include prior convictions (excluding motoring convictions and those spent under the Rehabilitation of Offenders Act), bankruptcy/liquidations/voluntary arrangements, previously had an insurance policy voided/cancelled/declined, County Court Judgements (or Scottish equivalent)
- Any different, special or any unusual aspects of your business activities in comparison to what would be considered 'typical' for your trade, business or profession.
- If anything changes from what you have previously advised to us

If you are in any doubt or need further information, please tell us or speak to your usual contacts.

What information do we collect?

To enable us to provide you with the right product or service to meet your needs (or to handle a claim) we will collect personal information which may include your name, telephone number, email address, postal address, occupation, date of birth, additional details of risks related to your enquiry or product and payment details (including bank account number and sort code).

We may need to request and collect sensitive personal information such as details of convictions or medical history for us to provide you with the product or service or to process a claim.

We only collect and process sensitive personal data where it is critical for the delivery of a product or service and without which the product or service cannot be provided. We will therefore not seek your explicit consent to process this information as it is required by us to provide the product or service you have requested and is legitimised by its criticality to the service provision. If you object to the processing of this information, then we will be unable to offer you that product or service. Where you have given consent for the processing of your data, you may withdraw that consent at any time.

Please note that typically we process data on the legal basis that it relates to a contract of insurance, or a contract to provide you with risk advice, so the right to erasure, which does not apply to personal information processed for a contractual purpose, will not be applicable in many instances.

However, we may also collect personal data for marketing purposes from publicly available sources or product development purposes where it is in our legitimate interests to do so.
